Motorola Talkabout™ T5512 and T5522 two-way radios offer a cost-effective way to stay in touch with your family and friends. Just drop in the batteries and communicate in your local area. They operate on 446MHz frequencies and can be used in any country where PMR446 frequencies are authorised, subject to local regulations.

Talkabout™ T5512 and T5522 radios have been designed to maximize performance and improve transmission range in the field. To avoid interference, radios must be used at least 1.5 metres apart.

Your family and friends will enjoy using Motorola Talkabout™ T5512 and T5522 radios in so many ways

- Walking
- Camping
- Shopping
- Sports & leisure
- Every day activities
- Holidays
- Around the home

TALKABOUT™
TWO-WAY RADIO

- 3km (2 mile range)
- Fun for all the family
- Licence & contract free
